

MANLEY-BLACKMAN SPIRIT AWARD

Pivot Point International, Inc. has created the Manley-Blackman Spirit Award to honor a school owner, faculty member or staff person who displays the "spirit" of Bonnie Manley and Ron Blackman. Bonnie and Ron were Pivot Point Member School owners that have passed away.

Bonnie Manley, previous owner of Je Boutique, Poway and Bay Vista Academies in the San Diego, CA, area, was passionate about the welfare of children. Whether it was her concern for her own grandchildren or a missing child hundreds of miles away, she inspired her students to raise more than \$50,000 for the National Center for Missing & Exploited Children (NCMEC).

Ron Blackman, previous owner of Masters of Cosmetology in Fort Wayne, IN, refused to allow a disaster to stop his commitment to the Center. Despite severe flood damage to his school, he continued to raise money for the NCMEC.
