

QUOTAPRO

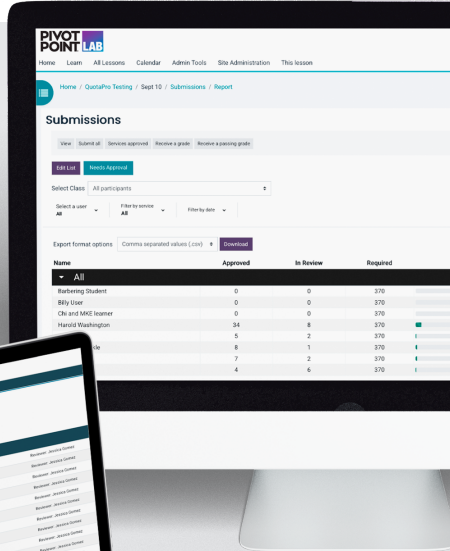

No paper quota books.
No separate spreadsheets.
Just one system.

Beauty, barber, and wellness schools track more than theory.

QuotaPro brings service tracking directly into LAB, helping schools manage theory progress, clinic floor services, and licensure readiness **all in one place**.

HOW IT WORKS

- 1. Service Requirements List**
Customize your list to meet specific requirements and assign to Learning Path.
- 2. Students Submit**
Log completed services directly in LAB.
- 3. Educators Approve**
Review submissions and approve services digitally.
- 4. Progress Updates**
Track completion requirements and student progress in real time.
- 5. Report with Confidence**
Filter and report by student, class, service type, or date.

WHY QUOTAPRO?

- Bring theory, clinic floor services and licensure readiness together in one system
- Simplify service submission, review, and approvals
- Gain real-time visibility into learner progress
- Reduce administrative burden and manual tracking
- Improve reporting and record management
